301. NON-COMMISSIONED OFFICER SCHOOL 1975.--A Noncommissioned Officer School will be conducted concurrently with the Officer Candidate School from 14 - 28 Jun 1975. Personnel in pay grades E4 and E5 who have not previously attended an NCO School are urged to attend to increase their leadership ability and military knowledge and to prepare themselves for promotion. The class capacity will be thirty-five (35) personnel. The anticipated quota is one man per location plus two from each headquarters.

302. OFFICER CANDIDATE SCHOOL, A NEW LOOK.--The State OCS program is currently being revised by the NGB. The revision will shorten the program by a two week Annual Training Period. Present plans call for the 1975-1976 class to be under the new program. Basically the new OCS plan will be as follows:

- a. Phase I - Three MUTA-4s in April-May-June 1975
- b. Phase II - Two week Annual Training 14-28 June 1975
- c. Phase III - Ten MUTAs from Sep 75 through Jun 76

Commissioning would take place during the June 76 MUTA. The new 2LTs would then have one year to become branch qualified in one of the following ways.

- a. Regular Branch Officer Basic Course conducted at one of the service schools
- b. A special four week Branch Officer Basic Course conducted at one of the Combat Arms service schools.
- c. Correspondence Course

Due to the limited time available between now and the first MUTA for the new class on 5-6 April 75 it is imperative that selection procedures be started as soon as possible.

303. OFFICER CANDIDATE SCREENING.--(a) Commanding Officers are urged to screen personnel to find qualified applicants to fill anticipated vacancies. It is estimated that 20-25 officer vacancies will exist in 1976. The majority of these must be filled by State OCS graduates.

An application kit containing the necessary forms is available from MMA and will be sent to any unit upon request.
